

IMPORTANT NOTE:

Yoni Egg Rocks offers are designed to improve your vitality or life quality. Our advice and products are aimed at women who wish to develop their potential and/or are ready for changes in certain areas of life. Healing stones are intended as energetic support. If you are suffering from acute health or mental illness, we recommend that you consult a medical health practitioner before purchasing our products.

Each yoni egg is unique and is consciously created and selected. Nevertheless, I can not accept any liability with regard to the effect on your body during use of Yoni Eggs.

I am not a doctor or therapist. A medical or therapeutic doesn't take place when you purchase our gems.

We share our treasures with the pure conscience and from the heart. Thank you for appreciating this.
